Quantitative skills are a MassBay graduation competency for associate degree programs. Prior to graduation, students must demonstrate this competency by completing a 100-level math course (not MAC); or placing into a 200-level mathematics course.

This program qualifies for MassTransfer with select public institutions in Massachusetts. Students should use course equivalencies for program electives. For more information, visit [www.mass.edu/masstransfer](http://www.mass.edu/masstransfer).
