

Cybermonth Events

October 2026 | Wellesley Hills Campus

Welcome Notice

Welcome to **Cybersecurity Awareness Month 2026**! This year's theme, **Securing the Next 250**, reminds us that everyone has a role to play in protecting our digital lives. Throughout October, we'll be sharing practical tips, hosting events, and offering training designed to help our community stay safe online.

From recognizing phishing attempts to strengthen your passwords, every small action makes a big difference. Join us in building a more secure digital campus.

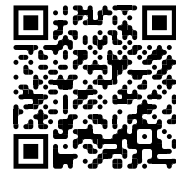

Think Before You Click! | Virtual

High School Cybersecurity Day | W422

10/20/2026 - Time: 9am-12:30pm

This event is designed to give high school students an introduction to cybersecurity, expose them to career opportunities in the field, and provide hands-on experience in a real cybersecurity training environment

Small Business Under Fire| Virtual

10/21/2026 - Time: 7pm-8pm

Hackers don't care about your size, only your blind spots. Every breach has a story, and the villains don't always wear hoodies in dark basements.
