Identity and Educational Purpose Verification Worksheet 2025-2026 Academic Year

Your 2025–2026 Free Application for Federal Student Aid (FAFSA) was selected for a process called **verification**, which requires us to confirm the information you provided. Department of Education regulations require this step before we can finalize your financial aid.

As part of this process, you must complete an **Identity and Statement of Educational Purpose**. This form verifies your identity and confirms that any financial aid you receive will be used solely for educational expenses.

We are unable to move forward with your financial aid until all required documents are received, so please submit them as soon as possible.

Step 1: To verify your identity by submitting a valid, government-issued photo identification (ID), such as a driver's license, other state issued ID, or U.S. Passport to the Financial Aid Office. **These documents must be submitted to our office in person.** We will **not** accept this via email, fax or mail.

Step 2: To complete, sign, and submit the Statement of Educational Purpose below.

If you have any questions about this form please contact the Financial Aid Office at 781.239.2600 or finaid@massbay.edu
