DEDICATION

How can mere words express the gratitude that is present in our hearts for one who has given so much of himself to us and to our college. This man can be singled out as a man among men for when counsel is sought and assistance needed, a student can always find a willing ear, a helpful hand. If it were not for the unselfish giving of his time and talent, Mass Bay would not have prospered as it has. It is with great pride that we, the Class of 1968, do hereby dedicate our yearbook to

IN MEMORIAM

PROFESSOR ELIZABETH R. DESMOND
Assistant Chairman—Division of Secretarial Science

"To live in hearts we leave behind
Is not to die."

To her students in the Secretarial Division, Professor Desmond was a dedicated teacher and friend, always willing to give her time and energy.
To her colleagues, she exemplified the highest qualities of a gracious lady.
To all students in the College, she was the "lady who always had a smile and a friendly hello."
Gentleness and graciousness—these were personified in Professor Desmond. In her quiet, friendly way, she contributed much to Massachusetts Bay Community College by her sincere interest in her students and colleagues.

President's Message

For the class of 1968, Commencement will be both an end and a beginning. It marks the end of two years of attendance at your alma mater, Massachusetts Bay Community College. More important, it marks the beginning of your assumption of responsible roles in the community of which you are a part. It is a community which sorely needs the ideals of truth, integrity and excellence with which your faculty have tried to imbue you.

Your College has watched you grow as you have watched it grow - and yet you are one and the same. The College is you and you are the College. You have taught us to have great confidence in your ingenuity, your imagination, and your accomplishments. We are proud and grateful to have had some small part in your lives. We look to you to continue your affiliation with Mass Bay through your involvement as alumni who will play an increasingly influential role in the future of this College.

On behalf of your faculty and staff, I take this means of thanking you for the memory of our many pleasurable hours together and of wishing each of you good luck and Godspeed.

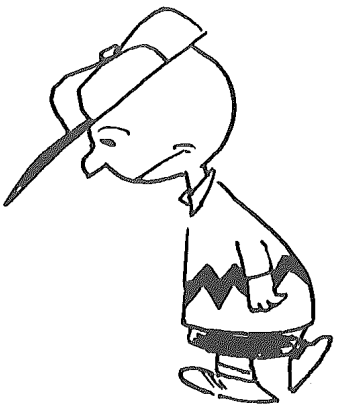

John F. McKenzie
President

ALMA MATER

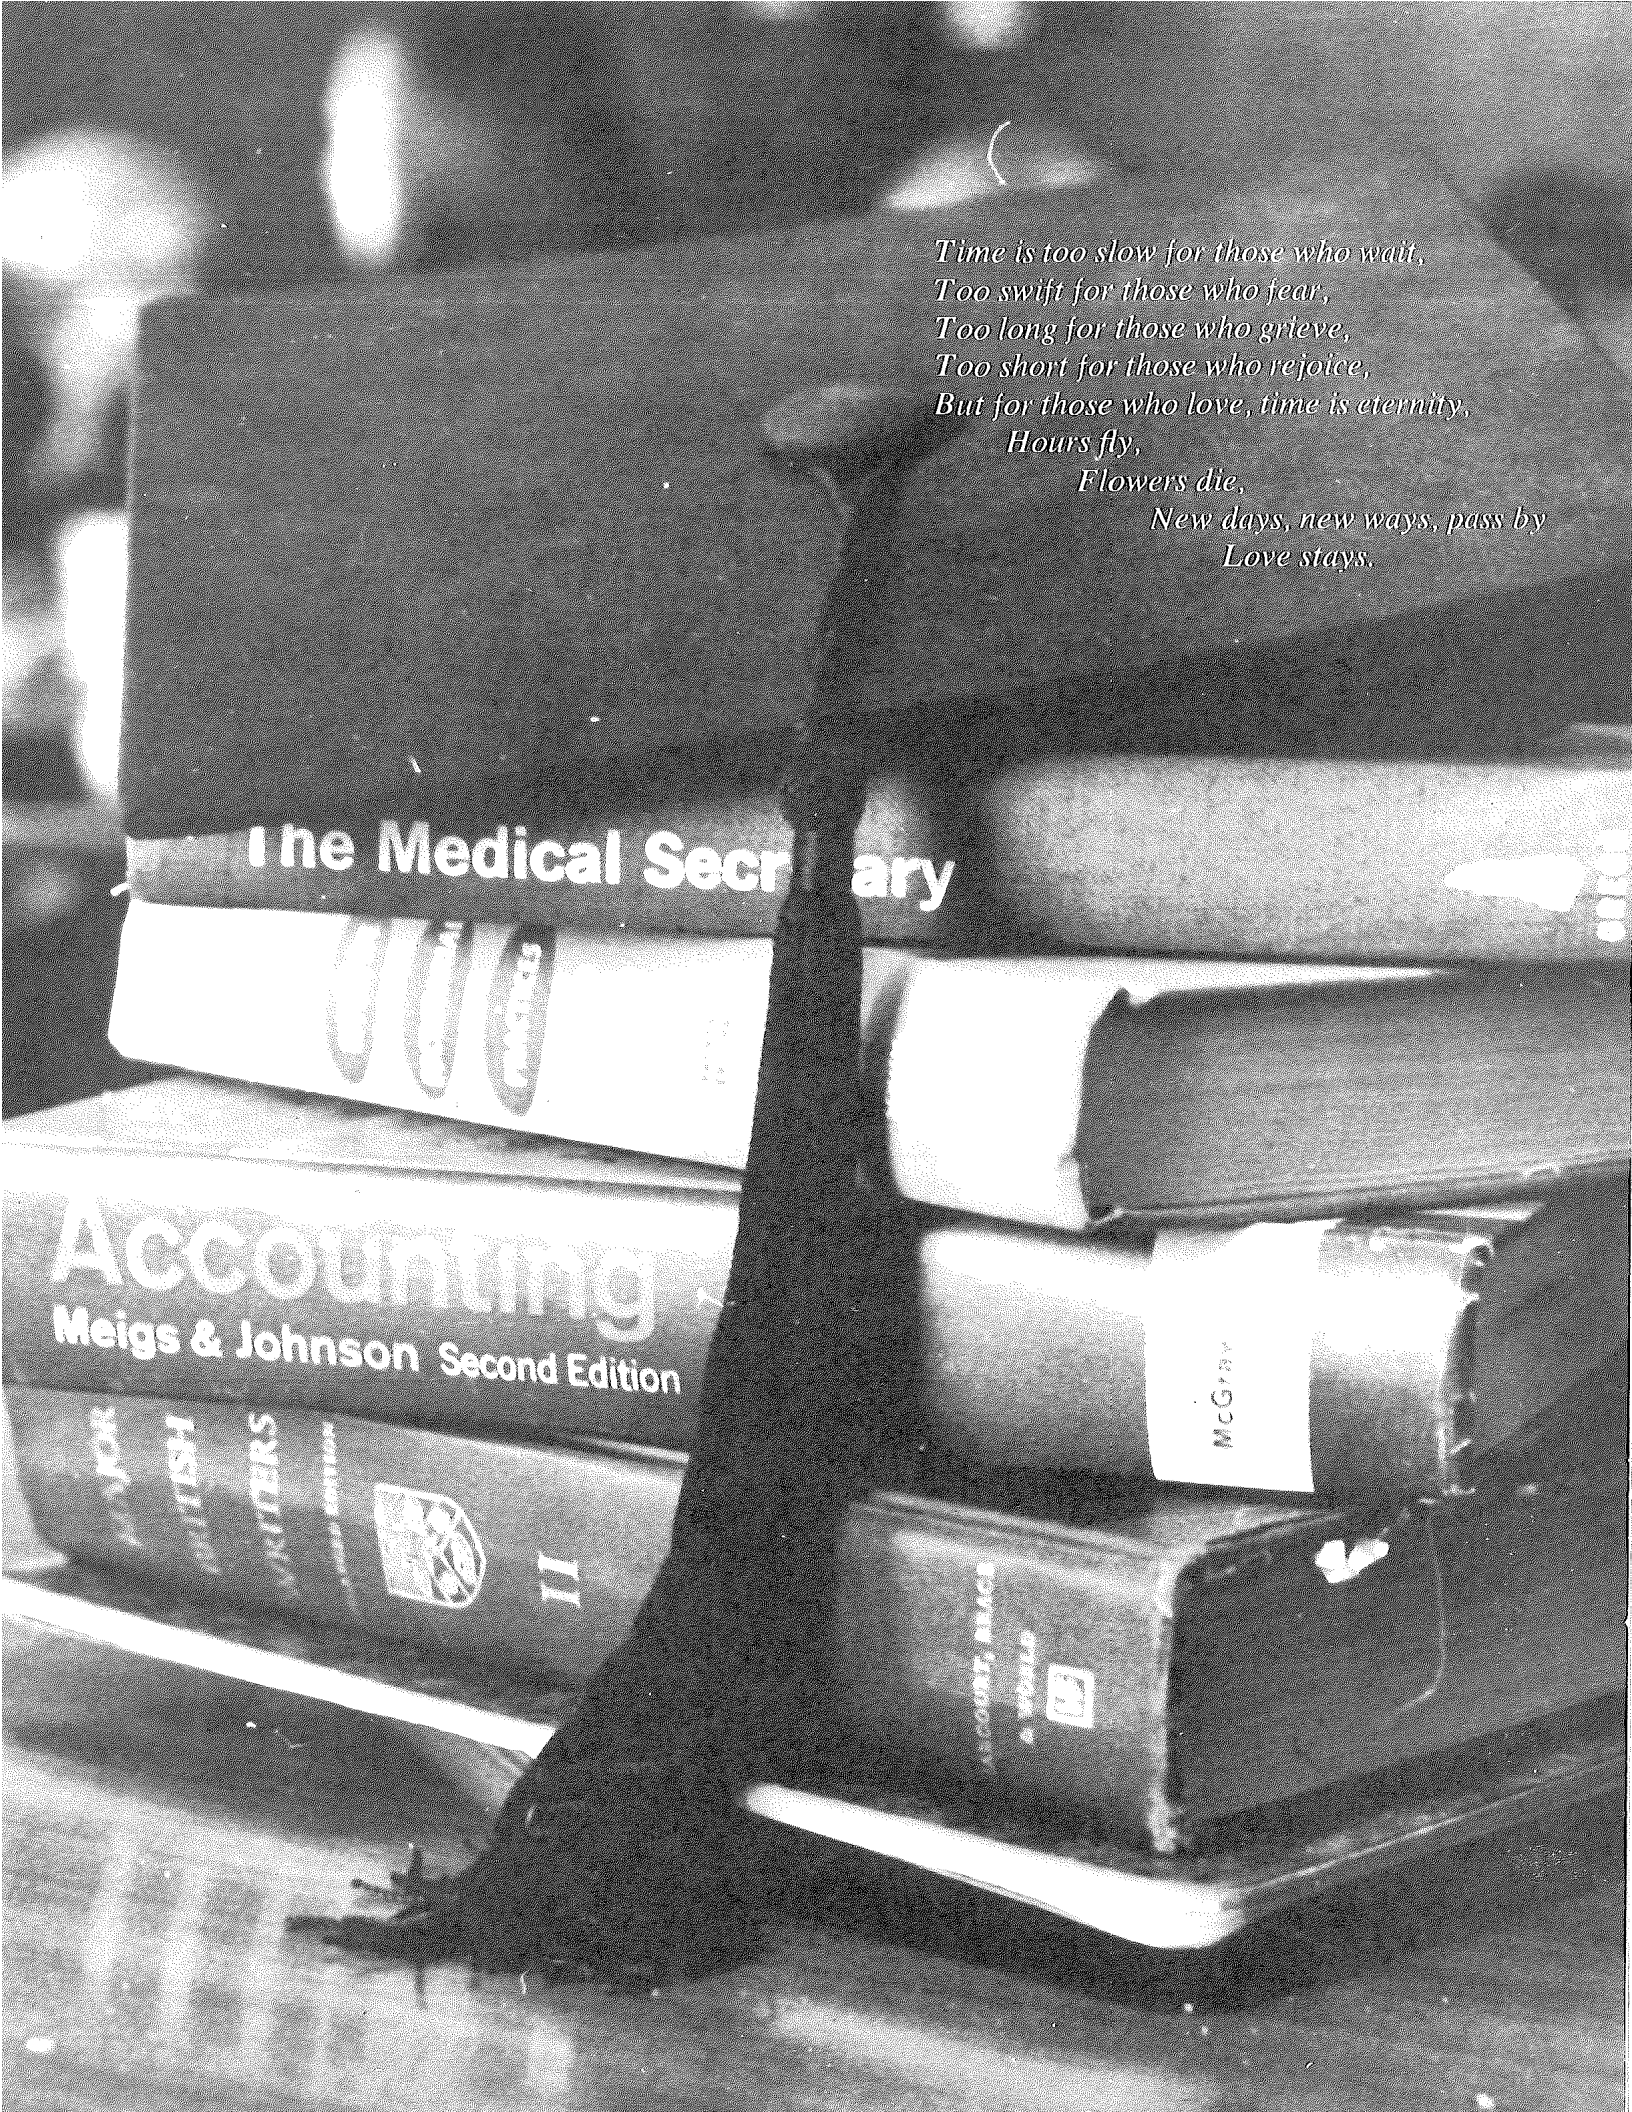

M.B.C.C. WE SING TO THEE,
WE PLEDGE OUR HEARTS OUR LOYALTIES
THROUGH EVERY YEAR AND EVERY DAY
WE SING TO THEE MASS. BAY

DEVOTION TO THE STUDY LIFE,
THE LAMP OF KNOWLEDGE BURNING BRIGHT,
THROUGH ALL OUR LIVES WE HOPE WE MAY,
REMEMBER THEE MASS. BAY.

OUR COLLEGE LIFE TOO SHORT TO LAST,
WILL SLOWLY DRIFT INTO THE PAST,
BUT THROUGH OUR LIVES IN EVERY WAY,
WE'LL BE WITH YOU MASS. BAY.

YOUR TEACHINGS AND YOUR HONORED CREED
OF KNOWLEDGE AND INTEGRITY,
WILL GUIDE US ALL ALONG OUR WAY,
WE PLEDGE TO THEE MASS. BAY.

WORDS BY
BARRY KARAS, '65

Time is too slow for those who wait,
Too swift for those who fear,
Too long for those who grieve,
Too short for those who rejoice,
But for those who love, time is eternity,
Hours fly,
Flowers die,
New days, new ways, pass by
Love stays.

The 1968 edition of GREENYEARS can be referred to as "the impossible dream", for it had all indications of being such in September, but as you can see, the finished copy was worth the long nights, the tears, and the prayers. I wish to express my sincere thanks to all the people involved in producing this book. Our representative from Wm. J. Keller Inc., Joe Donovan, for his neverending understanding and patience; to the Jean Sardou Studios (Grover Cronin Department Store, Waltham, Massachusetts) for their portrait work; to Stuart's Photo finishing in Arlington for their excellent processing. A very warm and appreciative thanks to a talented individual, Mr. William Andrews, for his advice and encouragement; to Professor Harold White for his assistance as faculty advisor; to Mr. Davis for his help with photography; to Dean Hagerstrom and Miss Carney for their assistance with the budget and the many other problems that arise within a publication; to "Jo", whose understanding and sympathy kept me striving towards my deadlines; and to all of you—faculty, administration and to my fellow students for your cooperation.

An editor may be the overseer of a yearbook, but without a dedicated and efficient staff, it is a futile task to assemble it. I was extremely fortunate in having a hard working staff, to whom I owe more than can be expressed in mere words. An extra special thanks to Jean Larsen, assistant editor; Judy O'Connor, Cynthia DeChiara, business editor; and Angela Bombino for their tremendous support during those last two grueling weeks. These girls and the rest of my staff made this book possible.

I feel that this yearbook expresses more than the summary of events occurring in the college; it is a memory of the wonderful sophomore year, 1968, with its joys and frustrations. The 1968 GREENYEARS is a product of hard and thoughtful work, and I am extremely proud to have been the editor of this yearbook. Thank you all.

Dianne Tellen, Editor-in-Chief
