To the Graduating Class of 1979:

You came to us with potential and we hope that your experience at Massachusetts Bay Community College has assisted you in developing that potential to its fullest. I believe that your education should enable you to make a significant contribution to a society that faces many complex problems. An educated person is able to identify problems and propose realistic solutions. We have attempted to provide you with a broad general education which will enable you to solve problems successfully, problems that may relate to your career or to society in general.

My wish for you is that you will be able to live a rich and rewarding life. An integral part of such a life is sharing and helping others. As an enlightened and educated person, you must assume the responsibility for sharing and helping in your career, with your family, and in your community.

In the two years that you have been here, you have made many significant contributions to the College. We, as members of the faculty and staff, hope that in some small way we also have contributed to your future.

On behalf of the entire Mass Bay family, we wish you good luck and Godspeed.

Sincerely yours,

John D. Conner

Dedication

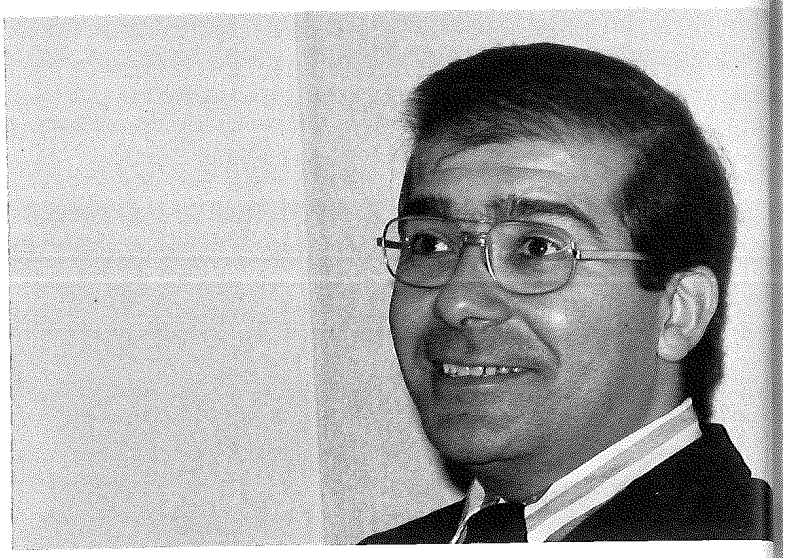

MARTHA M. ROWLAND

This 1979 Yearbook is being dedicated to an outstanding member of the college community who has shown in her years here that it is possible to be a teacher, an administrator, a friend, a confidant. In her daily involvement with the student body, her concern is evident in the way she unhesitatingly gives of herself and her time with a spirit of love and a feeling of warmth that is felt and appreciated when it is most needed.

She has been very active in the College, attending functions as chaperone, participant, and spectator. Her involvement in her ascribed duties within the school is an obvious one of sincerity.

SOCIAL ACTIVITIES

JANICE CAHALY

SOCIAL ACTIVITIES

BILL ENGEL

Social activities at Massachusetts Bay Community College is a variety of fun, laughter, and work. Our first event, the Frosh Bay Bash, was highlighted by games, music, and dancing. It was aimed to get the freshmen to know each other.

Our second event, the Splash Party, held at the Sidney Hill Country Club had the combination of an olympic size swimming pool and a Disco Show.

The Roller Skating Party could have only been better if more people had come.

Our Masquerade Mixer was a success featuring many imaginative costumes. The Winter Cotillion, held at the Mamiott Hotel in Newton, was as always a success and a great ending to the first semester. The evening was capped by a surprising appearance of Santa Claus.

Our second semester started with a Valentine — Sadie Hawkins Mixer held on Campus which sparked many new romances.

Specialty Nite was the biggest success. With the variety of the amazing "Hypnotist" and the dynamic "Energetics", it attracted well over 400 people. The Gong Show featured the most hilarious acts this side of Hollywood, followed by the Jack Flash Disco Light Show which is the largest mobile show in the world. It turned Mass Bay Cafeteria into Studio 54!

The ending events, Commencement Ball and Sophomore Luncheon, went super as usual, but they were very sad because we will be leaving our close friends here at MBCC.

We would like to thank our Director of Student Activities, Mr. Regan, for his constant support, guidance, and advice and the many students and faculty members who provided us with invaluable assistance.

All in all, being the chairpersons of Social Activities at Mass Bay lead to the formation of many close friendships and many good times. It has also been a great learning experience for us, one that we will never forget. We have the knowledge of how to create and coordinate an event and make it a success. It is a very gratifying feeling; one that every student should experience.

MASSBAY PLAYERS

The Masbay Players is an organization where all students interested in Theatre can get together and share their knowledge. The players had a busy year with the production of the musical, "Once Upon a Mattress", directed by Roger Wolf, the club advisor; participation in the Wellesley parade in October with a "Once Upon a Mattress" float, and the production of "Don't Drink the Water", the first student run production at Mass Bay, directed by Richard Sherburne, a freshman in the Liberal Arts Programs.

The Players hope to have as successful a year during 1979-1980.
